

## Explore Medicine Program (Day)

### Description

Summer Scrubs is a health career exploration program that helps young people prepare for their future in the health professions by providing the opportunity to participate in professional lectures, health-related fieldtrips, and hands-on lab experiences. The Explore Medicine Program sessions are for current 11<sup>th</sup> grade students (rising seniors) who are interested in becoming a physician. Participants will explore several physician specialties by learning from various medical doctors.

### Additional Information
