REPORT A CONCERN

Who can Report?

Anyone! If you are a member of the GME Community (e.g., resident, fellow, faculty member, program leadership, colleague), you can use the [Phoenix GME Feedback Form](#). If you have a concern that impacts you, your program, patients, or peers, please report it.

What can I Report?

Anything that you feel is concerning. This can range from concerns about meals or sleep rooms to concerns about harassment, or work hours violations.

When I report, what happens? can I Report?

Every situation is different, and GME takes every concern seriously. If you've provided your contact information, in most cases GME will follow up with you to get more information, ask questions, and discuss next steps.

How do I report?

Scan the QR code here or visit

<https://tinyurl.com/2e2jf2mm>

for more information and report your concern.

Reporting concerns takes courage!

Sharing your concern with us will not only help you resolve your issue, but it can also help create a better environment

It takes all of us to make sure everyone is treated with respect and experience a great learning environment.
