

Endocrinology, Diabetes, & Metabolism Fellowship

Original ACGME accreditation date: 07/01/1994

Program Director Name (Year appointed) Ricardo Correa, MD, EdD (2017)

ACGME Current Approved Complement 6

Accreditation Status Continued Accreditation

Length of Training 2 years

Accomplishments

- ▶ Our fellowship faculty members have vast knowledge of endocrinology, many of whom are renowned national and regional experts.
- ▶ The program's focus is on health equity in endocrinology as this helps us to develop a curriculum for our diverse patient populations.
- ▶ Three endocrinology fellows were accepted to present posters at the Endocrine Society National Conference, March 2021. One fellow won first place in the Western Endocrine Association Annual Meeting.
- ▶ Dr. Ricardo Correa has received a number of awards including: AACE 2021 Rising Star in Endocrinology.
- ▶ Humanitarian Award by Arizona Medical Association, Young Physician of the Year by the Maricopa County Medical Society, Top 100 Scientist Latinx in US by Cell Press, and one of 25 Medscape Rising Stars.
- ▶ Dr. Alsayed and Dr. Vinales were voted Faculty of the Year by Endocrine Division.
- ▶ We were voted Best Elective Rotation by Internal Medicine residency in 2020.

Strengths

1. Half day academic didactics
(Protected time for learning)
2. Diversity and variety of clinical conditions
3. Strong inpatient experience at Banner —
University Phoenix
4. Fellows are encouraged to attend conferences
(national participation in meetings)
5. High volume of FNA procedures
6. Program Director is known at national level
in multiple organizations
